

# A Pair of Shoes

# CARE

*a*s Mahatma Gandhi stepped aboard a train one day, one of his shoes slipped off and landed on the track. He was unable to retrieve it as the train was moving. To the amazement of his companions, Gandhiji calmly took off his other shoe and threw it back along the track to land

close to the first. Asked by a fellow passenger why he did so, Gandhiji smiled. "The poor man who finds the shoes lying on the track and replied, will now have a pair he can use."
